LB 743, 666, 280

SENATOR KREMER: That is right.

SENATOR LAMB: Okay, they do have those in Stapleton. So it is your understanding then that this sort of an inspection station will be empowered to inspect the school buses under this bill?

SENATOR KREMER: Yes, sir. A school bus would come under the same classification as a farm truck, not a semi but a farm truck.

SENATOR LAMB: Thank you.

PRESIDENT: The Chair recognizes Senator Kremer. Any further discussion? Then Senator Haberman, you have moved then the advance of LB 743 to E & R for engrossment. All right, the question then is, all those in favor of advancing 743 to E & R engrossment signify by saying aye, opposed nay. The bill is advanced, LB 743 is advanced to E & R for engrossment. We now come to LB 666. The Chair recognizes Senator Kahle.

SENATOR KAHLE: Mr. President and members, we are in the process of working out some of the details in LB 666 and so I would ask for unanimous consent to pass over it this morning.

PRESIDENT: Any objections to passing over 666? It is so ordered and we will move on then to LB 280, Mr. Clerk. Are there any E & R amendments?

CLERK: LB 280, I have no E & R amendments. I do have amendments by Senator DeCamp that I understand he wishes to withdraw. Senator DeCamp wishes to withdraw his amendments, Mr. President.

PRESIDENT: All right, Senator DeCamp has withdrawn his amendments to LB 280.

CLERK: I have nothing further on the bill.

PRESIDENT: And there are no further amendments so, Senator Murphy.

SENATOR MURPHY: A question if I may.

PRESIDENT: Of whom do you wish to ask this?

SENATOR MURPHY: Well, I guess Senator DeCamp, as Chairman of the Banking Committee.
